CEEFORM SOCKET ADAPTORS.

To comply with regulations, we terminate all supplies using Ceeform (caravan style) sockets and connectors 13A square pin sockets are not deemed suitable for outside use. As such you should ensure your equipment has the appropriate ceeform plug for connection, or you have your own adaptor to convert from 16A ceeform to 13A square pin. Whilst we do not condone the use of such adaptors, we realise this may be the only feasible way for you to connect your appliances, and as such these are available to pre order below or can be purchased on site (subject to availability)

**Terms & Conditions
For the supply of electricity and equipment on hire**

- 1) **General** – These terms and conditions will form the basis of a contract under English Law. For the purposes of this contract the person or business requiring the electrical services will be known as the “Exhibitor” and the supplier of the services as “SPC”.
- 2) **Payment** – Payment is required from the exhibitor prior to the supply of services. No services will be provided without settlement in full in advance.
- 3) **Services** - SPC will supply electrical services as requested by the exhibitor via the official order form and any supplementary drawings / paperwork. Failure to correctly complete the order form may result in a delay to the supply of services, or indeed an unintended interruption to the supply.
- 4) **Changes** – SPC undertakes to accommodate as quickly as possible, late changes / alterations to the services ordered. SPC will not accept responsibility for any delay in provision of services due to late changes.
- 5) **Late orders** - SPC cannot guarantee provision an electricity supply for late orders or orders on-site, nor will SPC or the organisers accept responsibility for any losses, financial or otherwise, suffered through your failure to pre-order. Where we are able to provide a service, the cost will be as per the price list plus the surcharge for modifications to our supply network.
- 6) **Sub-letting** - Sub-letting/sharing of an electrical supply is **NOT ALLOWED** without the express permission of SPC and will lead to immediate disconnection of supply and confiscation of connecting leads.
- 7) **Unauthorised connection** - Unauthorised connection to the electrical supply at one of our termination points will lead to the exhibitor being charged for the supply available at that point of connection regardless of the load or period connected.
- 8) **Interruption** – Due to the nature of supply, ie from generating sets, SPC cannot guarantee uninterrupted supply, we will however make every attempt to reinstate the supply as soon as possible. We will not be held liable for any loss suffered through matters beyond our control.
- 9) **Faulty appliances** - Where you are advised that a particular item of electrical equipment is faulty this shall be removed from the supply immediately and should not be re-connected without our authorisation.
- 10) **Charges** – The Charges detailed on the price list include for the supply ON HIRE and installation of a proportion of the necessary transport, generators, fuel, cabling, distribution equipment and fittings. And for taking down and removing at the close of the show, along with standby service and standby generators and equipment.
- 11) **Equipment** – The exhibitor shall not at any time tamper or modify any equipment belonging to SPC, nor shall they sell, dispose or otherwise part with control of same.
- 12) **Faults** – Faults, damages and losses of supply should be reported ASAP to SPC on 0796 8445674 or the event ORGANISERS.
- 13) **Appliances** – Appliances should only be connected to the supply only by the correct plug and socket arrangement, If it doesn't fit, call for assistance, modification of the connection method can lead to injury or death. The exhibitor is responsible for ensuring their appliance is compatible and safe for use. The ORGANISER requires that you have a PAT certificate for any items older than 12 months.
- 14) **Damages** – The Exhibitor agrees to pay SPC the full retail cost for any equipment lost, stolen, missing or damaged beyond economic repair.
- 15) **Cancellation** – The exhibitor has the right to cancel any order for services up to the deadline for ordering (**1st August**) and will receive a refund of all monies paid within 28 days from the date of cancellation. Cancellations between this date and 7 days prior to the event, 50% refund OR supply credit for future use. 1 to 7 days: 50% supply credit for future use. SPC reserves to terminate the contract at any time should the exhibitor breach the terms and conditions.
- 16) **Event Cancellation / postponement** – In the event of a cancellation, postponement or curtailment (minimum 24hrs) the following refund/credit structure shall apply;

30 days before:	Full refund or 100% supply credit for future use
15 - 30 days:	80% refund or 100% supply credit for future use
7 - 15 days:	70% refund or 100% supply credit for future use
1 - 6 days:	50% supply credit for future use.
Curtailment	25% supply credit.

Supply credits may be used on any future event where SPC is the electrical services supplier and are valid for the full cost of an equivalent supply on that event.
